“ *what a terrific loss of violet. She was our neighbor for several years and absolute darling none better and such a sweet kind person. Sometimes when she was going out of town we fed the cats, which was so little compared to the sweetness she always showed us. We have missed her since we moved to the country but now we won't be able to look for her our hearts are saddened. what a blessing she was to our family. peace to you, charlie and cathie##imported-begin##charlie and cathie davidson##imported-end##*
