“ *Belated prayers for healing and comfort in your loss as your loss is my loss also. I have many precious memories of Jerre. Remembering riding in her pink Renault with the windows down wearing a scarf so my hair would not blow. Reminisced with Jerre, Bill, Charlene, and Sherry last year after decorating graves at the cemetery. I have been thinking of her all week and intended to call her and let her know that I did pick up her flowers from the cemetery. Sorry to have learned of her death to late to be with you. Love and prayers for peace that passes all understanding, Burnell Casto Lay (her little cousin Nellie)*
