“ *So sorry to learn of both Walt & Lynette's passing! My ex-husband, Don Henderson & I (Donna) lived across the street from Walt & Lynette in Del City OK, while he was still in residency at OU. Such lovely people! Our son, Todd Henderson was 20 months old when he cut his finger pretty bad plundering in the trash. We took him across the street for Walt to look at. He checked it out & put peroxide and Neosporin on it and taped it up. He healed just fine. Chris, there son was just an infant at the time. Todd went into the medical field also. He is now 47, an is a CRNA in Edmond OKLA. Love to their sons & families.*

“ Dearest Lynette, Seth, Chris and Tiarra. We are so shocked and saddened by Walts death please accept out condolences. He'll be greatly missed at Tiarras basketball games and at everything Tiarra did. We pray peace and understanding upon you all. We'll miss hearing about his trips. He definitely had a way of telling stories about them. He was very gifted in so many ways. His art work was beyond compare. We'll miss seeing him riding his bicycle around town. “ What a shock this has been! In the past I remember Walt and Uncle Don teaching me how to trim and show sheep and calves and times spent with Walt on the farm and at family gatherings. I remember how thrilled I was to see Walt in "The Music Man" at Hastings High School. Recently I appreciated his insights and recommendation regarding my prostrate situation. I will miss him and was looking forward to spending time with him when I retire. We will certainly be praying for Lynette, the boys, and all or his family and friends. “ Lynette and family. So sorry for your loss. When I was a young, single mom with no insurance, I was diagnosed with a malignant bladder tumor. Dr. Baumann did surgery and said as long as I came in for regular checkups without him having to remind me, there would be no charge. After I was able to obtain insurance, I realized what a great gift he had given me. He was a great guy and he truly loved his family. It was a pleasure knowing him.

*“ Lynette and family, We are so sorry for your loss; Walt was too young to die. Walter was my cousin, and I (Theil) had not seen a lot of him since we were children, as he lived there, we live in Rhode Island, and we saw him if we happened to visit at the same time in Nebraska. We saw him for his Mother's 90th birthday celebration. I remember him as a child riding the horse on the farm, having to put up three girl cousins as well as his sisters, our banning him from the playhouse (tch! tch! on us!) He certainly packed a lot into the years he did have. Our prayers are with you all.

I'm really saddened to hear of Dr. Baumann's passing. He was an extraordinary man. He always took such wonderful care of me when I had health issues. I always knew I would be taken care of with the best and safest of care. There are many in the community who will mourn deeply his passing as his was a life of service, love, compassion, and excellence. May he rest in peace. My condolences to his family, loved ones and friends.

Lynette I am so sorry to hear about Walt's passing. Walt and I grew up together, we were the same age. My Mom and Dad (Margaret & Maurice Rainforth) were best friends with Don and Lillian. Our two families did many activities together. Baseball at Hansen, 4H, overnight stays, playing, riding their horses, picnics, and family special occasions. I think it was just my Dad and I that drove to Creighton to your and Walt's wedding. That was probably the last time I saw him. We missed each other at Don's funeral. It is strange, but only last week I thought about Walt and wondered how he was doing. It saddens my heart to hear of his death.

I am sad to hear of Walters death & would like to express my sympathies to his wife and children and his sisters and mother. I grew up on a farm near the Baumann's farm & have many memories of Walter from those times. He was 2 or 3 years younger than me. We were members of the small Hansen church and many of my memories are related to activities associated with the church; activities like Christmas plays, Sunday evening youth meetings, box socials and singing. There were many other local community activities that included Walter & me and our families. My condolences to all his family and friends.

I am sending prayers and deep sympathy to Walter's family and to all the Baumann family in Nebraska. I grew up with Walter and his two sisters. We grew up as farm kids doing 4H projects and attending Sunday School at our little Hansen church. We went to Hastings High School together in the 1960's, and I posted a photo from my 1964 yearbook, showing Walt in the role of Mayor Shinn in "Music Man." He was a man of many talents and passions. May God grant peace and comfort to you all. Glenice (Barrows) Rischeill
