“ *The people we love live on in our hearts. It takes a long time to get used to the loss of our loved one. But it's important to remember that when people die they leave something very special behind. They leave us so many fond memories of the things they said or did. And as long as we have these memories the people we love will live on in our hearts and minds. Rev 21:4 helps to see that God will wipe out every tear from our eyes and death will be no more.... With deepest sympathy the Williams family.*
