“ So many wonderful memories I have. First time I came home with kara to stay the night I fell in love with her family especially u leon. Cause u did all the cooking, breakfast every morning. U spoiled us so much. U would wait up for us every friday and saturday night would catch us trying to sneak in when we were late. My goodness I could go on and on. I'd really just like to tell u how much I love u and thank u so much for showing me unconditional love and understanding. And I'm really sorry for not staying in closer contact. I always had each of u in my heart and prayers. RIP Brother Leon I will never forget u.
