“ *Life is a gift from God and my Father was blessed to have lived a long life.
A caring and understanding dad I could not have asked for more.
I learned a lot about Family from my dad .
Loyalty and forgiveness. A very wise man and I only hope that I will be able to become as wise as he was. You don't have to be famous , you just have to live long enough to be come wise .
And that my dad was.*
