“ *I am saddened to hear of William's passing. The Moore and Milroy families have been a part of my life for as long as I can remember beginning at the First Presbyterian Church when Bill and I were both young lads attending Sunday school. My hope is that Bill's family will take comfort in their memories of those fine family members who have passed and comfort each other during this sad time. May you Rest In Peace Billy Moore. My condolences to Mary and all of Bill's family.*
