“ *Scott my old friend, you will be greatly missed. We made great music together and you taught me a lot in the process of it. I also remember when that picture was taken at Soesterberg AB, I had just walked into Life Support to talk to Scott just after they had taken it and a few other shots while I was there.*

Waunita, Joan and families, my heart aches for you all during this trial and tribulation. God be with you till you all meet again at Jesus feet.

Much Love to you all,

Mark & Debbie May and family.
