“ *John and I have known Bill since the mid 80's he was our son-in-law. Bill was a great reind to everyone and would give you his shirt off his back. When he came to GA to be close to his baby girl he got a job at a lunber company as a security guard but ha dd no vehicle so he drove our Johns little noped 3 or 4 miles down the road. Close your eyes and vision Bill on a moped yep he said he got alot of honks so he laughed it off and said it was better than walking. The most important thing in his life was his family, He loved his baby girl Nikkie and was the sparkle in his eyes and could do no wrong, and Kristie his wife who did keep him in line but he loved her so much and now they are together, He loved his parents and when his father pasted he came over and talked endlessly about him , his sisters was also so special to him. So if you knew Bill you were loved so much and you could only love him back, Bill you will be so deeply missed and a special spot will be in our hearts forever but you are with the Lord and now have that room in his mansion. You can rest not and we will take it from here, Love ya and God Bless you. To his family may God wrap his arms around you and keep you safe and warm, Love ya all , John (Major ret) and Terri King* ”
