“ For all uncle Willie C's folks, my Powell cousins, I too loved this good man. I saw him at his home with Pam in 2012... He looked stylish as ever...He was always a class act and a gentleman...I share good memories of this man and hope I will never forget. I remember before aunt it vena got sick, She told me (1993) entertainment tonight came on the tv, Willie yelled out(for once, Aay)... "Hey!, there's Monty!" Vena Mae ran in and just caught the end of interview....it was for LAKOTA WOMAN. Which cousin Tim had a major role in, when. I got home? Willie and auntie so told me about it! Just saying, I had a few great moments with two... Another time down at "woody's barn!" Well, that's another story, around the campfire.....See you later uncle, I Love you...
