“ *I remember Billy from when I was a little girl. Though we were first cousins, he was actually my mother's age, and whenever we would have family gatherings at Grandma Laury's home, he and Charles would playfully tease Mom & call her "Mary Lou," which she hated-- but she couldn't help laughing! I treasure the memories of those days at my grandma's house with family around, and Billy will always be part of that. God Bless Francis & Aunt Lorene in their time of loss. “ *I met Bill when I was just a teenager. He was a good friend. Sincere sympathy to his family.*
