“ Oh how I loved my “big sister” Auntie. We literally grew up together. So many memories working together at the clinic, living in our treehouse apartment, Dad sneaking her in the delivery room to be with me when my Anthony was born & so many more. I know mom & dad are with you as well as all of our loved ones. Thank you for always being there for me throughout the years. I love you so much & I’ll see you on the other side. ❤️

“ So many good memories of the Lee family, I couldnt name them all. The one I will forever remember is her tea set and our tea parties on her back porch. REST IN PEACE, MY FRIEND, UNTIL THAT DAY WHEN WE MEET AGAIN!!!
