“ We loved Christine, she was a precious jewel to us. Her smile, her sense of humor. She always said “I’m blessed!! when asked how she was, even during all the Covid quarantines she went through. She never failed to pray for us when we prayed for her, she always let us know how much she appreciated our friendship. She was a beautiful soul and she will be dearly missed. We praise God she is out of pain, praising our Savior in person, healed and whole. Praying for the family for comfort and peace during this difficult time.
