I chose the butterfly because that is how I remember Yvonne. We were friends a very long time ago! Yvonne was always so full of life and beauty; she was so free and seemed to go where the wind would carry her. Yvonne and I worked together for a bit. During our employment together my sons birthday was approaching. Yvonne knew of my financial distress and knew I was unable to get a gift or even a cake for Austin. When I went to work one afternoon she had a gift and a beautifully decorated cake for me to give my son. Yvonne was thoughtful, caring, giving, loving and without a doubt funny! She always made me laugh. Every Fri. and Sat. Yvonne and I would "go out on the town" and have an absolute blast! I am regretful I lost touch with her. My heart goes out to her family. Her smile and laughter will be missed by many.
