“ *Zalinda will always hold a special place in my heart. I still remember the first time I met her...I was in elementary and I was visiting Aunt Barbara for a couple weeks (summer break). We were sitting outside on the porch and Zalinda and her two cute little girls came walking by and stopped to talk with Aunt Barbara for a while. I think Zalinda & Eddie started dating a little bit after that. Then time goes one and they get married and she becomes family. I remember Eddie, Zalinda & the girls stayed with my family when I was in HS. I loved her sense of humor and loved hearing her stories. She was always there with a listening ear and give advice if you wanted it. I never felt like she judged me and I always felt like she genuinely cared. She always told me not to listen to what people say and be yourself and do your own thing. She had a heart of gold. Eddie & Zalinda will always hold a special place in my heart. Eddie, you & the girls will be in my prayers. Love you all bunches. ❤️*

*“ I have so many fond memories of Zalinda. I remember she, Eddie, and the girls stayed with us for a little while at mom and dad's. I really enjoyed those times. Zalinda always brought a smile to my face everytime I got a chance to see her. She was an amazingly creative woman and will be so very missed.
Eddie, you, the girls, and all the family, are in our prayers. We love y'all ❤️*
